

Garden project blossoms

COMMUNITY SPIRIT: Pictured working on the school gardens are James Harvey and Terri Bailey from Tesco Express and volunteers Sandra Foster and Janice Trotter, with Claire Mitchel, Linda Crayton, Daryl Wilkinson and Aaron Barraclough from Earlsheaton Technology College. (05110910)

VOLUNTEERS dug deep for a gardening session that helped community spirit bloom.

They joined Earlsheaton Technology College pupils and staff from Tesco Express for a day of digging,

weeding and tidying the school grounds.

The green-fingered gathering followed the success of an arts afternoon when adults from the community were invited into school to try their hands at nail art,

glass painting and card making.

The events were run by the college and supported by Tesco Express on Wakefield Road, which contributed towards materials and equipment.
